Werner Industrial Pressure Washer (Petrol)

Established 88

Werner Industrial Pressure Washers (Petrol)

Portable • Powerful • Industrial Cleaning Performance

The Werner Industrial Petrol Pressure Washer Range delivers high-pressure cleaning performance in a compact, portable design. Built for industrial, agricultural, municipal, marine, and construction environments, these petrol-driven units provide powerful jetting capability without requiring electrical connection — making them ideal for remote or outdoor sites.

Whether you need pressure washing, water sandblasting, drain blasting, pipe cleaning, or general-purpose industrial cleaning, Werner's petrol-driven systems offer dependable performance, rugged construction, and straightforward operation anywhere you need them.

Applications

- Pressure Washing
- Water Sandblasting
- Drain Blasting
- General Industrial Cleaning
- Workshop/Fleet Washdown
- Pipe Cleaning and Maintenance

Technical Data

Model	L/min	Bar	Gal U. S	p.s.i	Kilowatt	Price
11.130	11	130	2.9	1885	2.2 kW	TBA
14.150	14	150	3.69	2175	5.5 kW	TBA
18.180	18	200	4.75	2610	7.5 kW	TBA
21.200	21	200	5.55	2900	7.5 kW	TBA
25.250	25	250	6.59	3626	15 kW	TBA
50.150	50	150	13.19	2175	15 kW	TBA

Performance Summary

- Flow Range: 11 – 50 L/min
- Pressure Range: 130 – 250 bar
- Engine Sizes: 2.2 kW – 15 kW petrol-driven
- Applications: From light washing to heavy-duty industrial blasting
- These petrol units are ideal for standalone, heavy-duty cleaning where mobility and independence from electrical infrastructure are essential.

Standard Features

- Petrol Engine Drive
  - No power supply required
  - Ideal for remote, rural, or construction environments
- High-Pressure Pump System
  - Industrial-grade pump design
  - Suitable for 130–250 bar working pressure
- Portable Wheelbarrow-Type Chassis
  - Heavy-duty trolley frame
  - Pneumatic tyres for rough terrain
  - Push–pull handles for easy movement
- Hose Reel (Up to 90 m Capacity)
  - Heavy-duty industrial design
  - Suitable for extended cleaning reach
- Robust Construction
  - Powder-coated protective frame
  - Heavy-duty baseplate design
  - Built for daily industrial service

Werner Industrial Pressure Washers (Petrol)

Advantages

- Complete Portability: Go anywhere — no electrical supply required.
- High Flow & High Pressure: Perfect for toughest jobs: pipelines, drains, machinery, yards, and industrial surfaces.
- Heavy-Duty Frame & Wheels: Withstand harsh outdoor or construction conditions.
- Flexible Configuration: Wide range of nozzles, hoses, reels, and sandblasting accessories.
- Werner Quality & Support: Locally built, fully serviceable, and backed by the Werner Pumps service network.

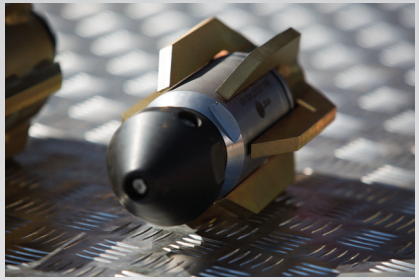

Additional Accessories (If Required)

- Werner Pressure Testing Kit (for pressure-testing equipment)
- Werner Low-Water Inlet Switch (electric start models only)
- Werner Wheelbarrow-Type Trolley Kit
- Werner Industrial Hose Reel (90 m capacity)
- Werner Chemical injector
- Werner ST-55 Sandblasters
- Werner Pipe cleaning nozzle
- Werner Turbo cleaning nozzle
- Werner HP water jetting hose, 10 meter (320 bar W.P)
- Werner HP gun, with lance, nozzle holder & fan nozzle
- All optional accessories are designed to integrate directly with the petrol washer series, providing enhanced versatility and professional-grade performance.
