Werner Universal 22HP 500-50/150P

Established 88

Werner Universal 22HP 500-50/150P

Compact Power • Reliable Performance • Professional Quality

The Werner Universal 22HP 500–50/150P is a compact, high-pressure cleaning system engineered for durability and easy operation.
Powered by a robust Honda petrol engine and designed for trailer mounting, this unit is ideal for municipal, construction, agricultural, and industrial applications that demand powerful and portable cleaning performance.
Compact. Versatile.
Proudly 100 % South African Built.

Tank

Tank Volume (L): ± 500

Payload (Kg): ± 500

- UV-protected, heavy-duty polyethylene
- The tank is UV-stabilised and corrosion-resistant, providing long-lasting reliability in demanding field environments.

Frame

- Heavy-duty all-steel protective frame for structural strength and durability
- Single-axle configuration, mounted on a high-speed roadworthy trailer
- Two industrial manual hose reels with brakes
- 30 m × ⅜-inch high-pressure hose with 500 mm lance
- Fully adjustable pressure regulator
- Werner high-volume inline filter for water clarity and pump protection
- 22 HP Honda petrol engine – dependable, efficient, and easy to start
- Glycerine-filled 63 mm dial pressure gauge (250 bar) for long-term accuracy
- Built to handle rugged conditions, the Werner Universal 22HP provides consistent, professional-grade performance for everyday use.

High Pressure System

- Werner industrial self-priming positive displacement plunger pump
- Flow Rate: 50 L/min @ 150 bar (fully adjustable)
- Includes: 1 × Bullet Nozzle and 1 × Pointed Nozzle
- Pressure Range: Adjustable for a wide range of applications
- The high-pressure system delivers exceptional cleaning power — from debris flushing to surface restoration — ensuring dependable output under continuous duty.

Additional (If Required)

- High-volume inline filtration upgrade
- Custom hose lengths and reel options
- Nozzle sets for specific cleaning applications
- Skid or stationary mounting options

Additional (If Required)

- Municipal and construction cleaning
- Agricultural irrigation and washdown
- Industrial surface cleaning and maintenance
- Firefighting and emergency water delivery (custom configurations available)

WERNER

Equipment & accessories

Nozzles & Hoses

Werner Pumps supplies a full range of high-performance accessories designed to complement the Universal 22HP 500-50/150P Trailer Unit and enhance overall efficiency.

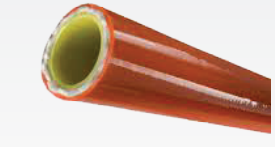

Product Range Includes:

- ENZ Swiss-engineered jetting nozzles for precision cleaning
- Rotary and fixed nozzles for varying pipe diameters
- Specialised cutter and root removal heads
- Vacuum hoses, suction lines, and discharge couplings
- High-pressure hoses with reinforced protection layers
- Quick-release couplings and fittings

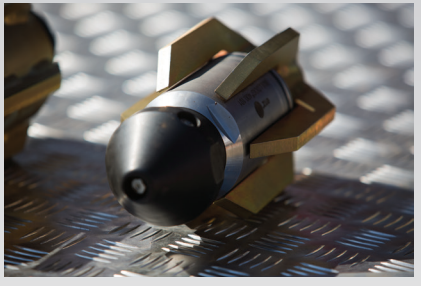

All accessories are rigorously tested for durability, safety, and compatibility with Werner high-pressure systems.
